For the Petitioner: MR.K.VENUMADHAV, Advocate

For the Respondent No.: SMT.M.VINOBHA DEVI

The Court made the following :

O R D E R :

In this petition, filed under Article 226 of the Constitution of India, the petitioner is praying for a direction that pending petitioner's appeal before the fifth respondent, direction be issued to the fourth respondent for restoration of electricity.

On our enquiry, learned counsel for petitioner submits that by the order passed on 31.1.2004 by the Additional Assistant Engineer (Operation), Manakundur, electricity connection to the petitioner's unit has been discontinued and the said order was passed by the Additional Assistant Engineer on the basis of a telephone message received from the Divisional Engineer, Electrical-Operation, Karimnagar.

The learned counsel for the petitioner submits that an appeal has been preferred against the order of fourth respondent under the provisions of the Air (Prevention & Control of Pollution) Act, 1981, and, since there is no Presiding Officer in the Appellate Court, direction be issued for restoration of electricity supply, till disposal of the appeal.

The appeal is stated to have been preferred only on 31.5.2004. Learned counsel for petitioner has not shown us any order purported to have been passed by any of the authorities under Water (Prevention and Control of

Pollution) Act, 1974 or Air (Prevention and Control of Pollution) Act, 1981 or any other Environmental law. The impugned order dated 31.1.2004 makes a reference to non-compliance of order of the A.P.Pollution Control Board. The said order is stated to be not under challenge.

In the circumstances, no relief can be granted to the petitioner in this Writ Petition as prayed for. The Writ Petition, therefore, is dismissed. No costs.
